Professional Driver

- **Job Type:** Full-Time, On-Site
- **Pay:** $22 to $25 per hour, plus 100% of your tips
- **Location:** North York, Toronto
- **Schedule:** Full-time, Monday to Sunday

About Us

Six Moving is one of Toronto's leading moving and storage companies, recently voted the GTA's Top Choice Moving Company of 2026. We're professional, reliable, and just different enough to be memorable, starting with our **iconic pink moving trucks** you've probably spotted around the city.

From moving and packing to storage and everything in between, we cover the entire journey under one roof and hold ourselves to a high standard at every step. The pink trucks get the attention, but it's the standards behind them that keep people booking.

We're looking for a reliable, experienced **Professional Driver** who takes pride in their work and shows up with the right attitude.

The Role

This is a driving-first role with hands-on moving work built in. You'll safely operate our 20 to 26 ft trucks, follow the day's route and schedule, and keep your truck clean, organized, and road-ready. Confident, careful driving is the foundation of the job.

From there, you'll move, pack, and protect furniture in homes and businesses, wrap items properly so nothing gets damaged, and handle disassembly and reassembly when a job calls for it. On every job, you're the face of Six Moving. Clients remember the crew that showed up on time, handled their belongings with care, and communicated well from start to finish. If you take your work seriously and show up ready, this is a crew where that gets noticed.

- Represent the company professionally on every job

What We Expect

- A strong work ethic and a professional attitude
- Respectful communication with clients and the team
- Punctual, dependable, and ready to work
- Ability to handle physical work, including consistently lifting 50+ lbs
- Attention to detail when handling client belongings

Requirements

- Valid full G licence
- Clean driver's abstract
- Minimum 1 year of experience driving 20 to 26 ft trucks
- Minimum 1 year of moving experience
- Legally eligible to work in Canada
- Able to pass a criminal background check
- Smartphone with data (used for job updates, inspections, and daily tasks)
- Able to reliably commute to our North York location (M4A 1E6), or plan to relocate before starting

Nice to Have

- 2+ years of experience with a moving company

Work Environment

This is a **full-time, in-person role**. You'll be part of a professional crew in a fast-paced, hands-on setting where no two days look quite the same. Expectations are clear, the structure is there to

support you, and the work is steady. We're looking for people who already understand the basics of moving and want to be part of a team that does it well.

What You'll Get

- Competitive hourly pay, and you keep 100% of your tips
- Consistent work with a steady flow of jobs
- A structured environment with clear expectations
- Real opportunity to grow into higher-responsibility roles
